SPONSORSHIP DOCUMENT 2025

HERE WE DO THE ORDINARY IN AN EXTRAORDINARY
WAY! WE WOULD LOVE FOR YOU TO JOIN US, BY
BECOMING A SPONSOR AND SUPPORTING THIS GEM IN
THE HEART OF THE GAMTOOS VALLEY

ABOUT US

Laerskool Gamtoosvallei is situated in Patensie.
A beautiful little town in the Gamtoos Valley, Eastern Cape.
Citrus Country.

We are a Government school, serving the surrounding farming community since 1903.

We are currently teaching 240 learners, Grades R-7 as well as *"Dink en Doen"*,
our pre-primary school.

In 2023, we celebrated our 120th birthday.

What an amazing honour it is to be able to say that we have that many years' worth of
stories and successes and have touched the lives of the Gamtoos Valley children
for more than a 120 years?

We feel incredibly privileged to be able to still stand strong, going into yet another year.

We would love for you to become a part of our story, to help uplift and empower the
children in our community that is deserving of a chance in life. Those that show
potential but doesn't have the means and just in general, to become part of an absolute
winning team here at our school.

Our school is built on Christian values.

We read the Bible, we do Praise & Worship and on Friday mornings, we have a dedicated group of moms that work with each class individually, teaching them valuable lessons to also help them grow on a spiritual level.

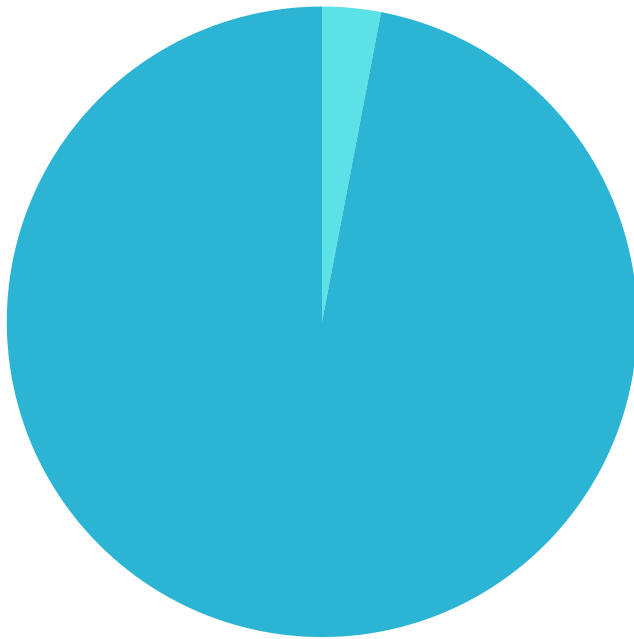

Here, we look out for each other, pick each other up when we fall and strive to provide the absolute best in education and opportunities for our young people.

Why do we need your support?

As our school and budget grows, the funding from the Government shrinks. In 2024, the Department of Education only provided for 3% of our school expenses and operating costs.

INCOME FOR 2024

Only **6** teachers receive a salary from the Department, this includes the Principal and HOD and therefore the School Governing Body needs to fund an additional **12** positions to ensure the quality education we would like to provide our learners.

Our school also makes provision for learners that can't afford school fees. We rely on sponsorship, donations, fundraising events and other means of generating our own funds to supplement the shortfall and to maintain the high standard of work at our school.

We really pride ourselves with what we are doing in the community.
